By this Order, the Public Company Accounting Oversight Board ("Board" or "PCAOB") is (1) censuring the registered public accounting firm Holt & Patterson, LLC ("Holt & Patterson," "Firm," or "Respondent"); (2) imposing upon the Firm a civil money penalty in the amount of \$2,500; and (3) requiring the Firm to undertake certain remedial measures, including to establish policies and procedures, directed toward satisfying independence criteria applicable to audits of brokers and dealers. The Board is imposing these sanctions on the basis of its findings that the Firm violated a rule of the Securities and Exchange Commission ("Commission" or "SEC") as a result of having maintained and prepared accounting records, and having prepared financial statements that were filed with the Commission, for a registered broker-dealer audit client, which impaired the Firm's independence.

I.

The Board deems it necessary and appropriate, for the protection of investors and to further the public interest in the preparation of informative, accurate and independent audit reports, that disciplinary proceedings be, and hereby are, instituted pursuant to Section 105(c) of the Sarbanes-Oxley Act of 2002, as amended ("Act"), and PCAOB Rule 5200(a)(1) against Respondent.

II.

In anticipation of the institution of these proceedings and pursuant to PCAOB Rule 5205, Respondent submitted an Offer of Settlement ("Offer") that the Board has determined to accept. Solely for purposes of these proceedings and any other proceedings brought by or on behalf of the Board, or to which the Board is a party, and without admitting or denying the findings herein, except as to the Board's jurisdiction over Respondent and the subject matter of these proceedings, which is admitted,

ORDER

Respondent consents to the entry of this Order Instituting Disciplinary Proceedings, Making Findings, and Imposing Sanctions ("Order") as set forth below.¹

III.

On the basis of Respondent's Offer, the Board finds that:

A. Respondent

1. Holt & Patterson is a registered public accounting firm located in Chesterfield, Missouri. At all relevant times, the Firm was licensed by the Missouri State Board of Accountancy (license no. 2005022844). The Firm, formed in 2005, is registered with the Board pursuant to Section 102 of the Act and Board rules.

B. Summary

2. The Firm maintained and prepared accounting records and prepared financial statements for the year ended December 31, 2013 for a broker-dealer audit client ("Broker-Dealer"). As a result, the Firm was not independent of the Broker-Dealer under auditor independence criteria established by the Commission and made applicable by Exchange Act Rule 17a-5(f)(3) to audits of brokers and dealers.² The Firm nevertheless audited the financial statements and issued an audit report that the Broker-Dealer included with the financial statements it filed with the Commission. In the audit report, the Firm represented that the audit had been performed in accordance with Generally Accepted Auditing Standards ("GAAS"). Because GAAS requires independence, however, that representation violated Rule 17a-5(i), which required the audit report to state whether the audit was made in accordance with GAAS.

¹ The findings herein are made pursuant to Respondent's Offer and are not binding on any other person or entity in this or any other proceeding.

² Exchange Act Rule 17a-5, referenced throughout this Order as "Rule 17a-5," is found at 17 C.F.R. § 240.17a-5. The rule provisions set out herein are those in effect during, and applicable to, the relevant conduct. On July 30, 2013, the Commission adopted certain amendments to Rule 17a-5. See Broker-Dealer Reports, SEC Exchange Act Release No. 34-70073 (July 30, 2013), 78 Fed. Reg. 51910 (Aug. 21, 2013). Among other things, the amendments to Rule 17a-5 require that audits of brokers and dealers be performed in accordance with PCAOB standards, effective for audits of fiscal years ending on or after June 1, 2014. In addition, Rule 17a-5 provides that the auditor must be independent in accordance with Rule 2-01 of Commission Regulation S-X. At the time of the relevant conduct, that requirement was set out in Rule 17a-5(f)(3). It is now set out in Rule 17a-5(f)(1).

ORDER

C. Respondent Violated a Commission Rule

3. Rule 17a-5(d)(1) requires, among other things, that "[e]very broker or dealer registered pursuant to section 15 of the [Securities Exchange] Act [of 1934] shall file annually, on a calendar or fiscal year basis, a report which shall be audited by an independent public accountant." Rule 17a-5(d)(2) states that "[t]he annual audited report" filed by a registered broker or dealer, among other things, "shall contain a Statement of Financial Condition . . . , a Statement of Income, a Statement of Cash Flows, a Statement of Changes in Stockholders' or Partners' or Sole Proprietor's Equity, and [a] Statement of Changes in Liabilities Subordinated to Claims of General Creditors."

4. Rule 17a-5(e)(1)(i) states: "An audit shall be conducted by a public accountant who shall be in fact independent as defined in paragraph (f)(3) of this section herein, and he shall give an opinion covering the statements filed pursuant to paragraph (d)" Rule 17a-5(f)(3) states: "An accountant shall be independent in accordance with the provisions of § 210.2-01(b) and (c) of this chapter."

5. Rule 17a-5(g) requires that "[t]he audit shall be made in accordance with generally accepted auditing standards." Rule 17a-5(i) requires that "[t]he accountant's report shall . . . [s]tate whether the audit was made in accordance with generally accepted auditing standards."

6. GAAS requires auditors to maintain strict independence from their audit clients.³ "[I]f an auditor's report states that its audit was in accordance with GAAS when the auditor was not independent, then it has violated Rule 17a-5(i)."⁴

7. Pursuant to Rule 17a-5(f)(3), certain of the Commission's auditor independence criteria described in Rules 2-01(b) and (c) of Regulation S-X⁵ apply to

³ AU-C Section 200.15-.16, *Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance With Generally Accepted Auditing Standards*. References herein to GAAS are to the versions of the auditing standards that were applicable to audits of brokers and dealers at the time of the audit at issue here.

audits of brokers and dealers.⁶ The applicable provisions include Rule 2-01(c)(4), which states in part:

An accountant is not independent if, at any point during the audit and professional engagement period, the accountant provides the following non-audit services to an audit client:

(i) *Bookkeeping or other services related to the accounting records or financial statements of the audit client.* Any service, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements, including:

(A) Maintaining or preparing the audit client's accounting records;

(B) Preparing the audit client's financial statements that are filed with the Commission or that form the basis of financial statements filed with the Commission

8. The Firm served as the auditor of the Broker-Dealer's December 31, 2013 financial statements ("Audit"). At all relevant times, the Broker-Dealer was a "broker" and "dealer," as defined in Section 110 of the Act and PCAOB Rules 1001(b)(iii) and 1001(d)(iii), and was not an "issuer," as defined in Section 2(a)(7) of the Act and PCAOB Rule 1001(i)(iii).

9. In March 2014, the Broker-Dealer filed with the Commission a Form X-17A-5 Part III for the year ended December 31, 2013. Included in that filing was an audit report signed by the Firm dated February 21, 2014. That report stated, among other things, that the Firm audited the Broker-Dealer's financial statements "in accordance with auditing standards generally accepted in the United States of America."

⁶ Not all independence criteria described in Rule 2-01(c) apply to audits of brokers and dealers. As the Commission has explained, those audits "are not subject to the partner rotation requirements or the compensation requirements of the Commission's independence rules [Rules 2-01(c)(6) and (c)(8)] because the statute mandating those requirements is limited to issuers," and they "are not subject to the audit committee pre-approval requirements or the cooling-off period requirements for employment [Rules 2-01(c)(7) and (c)(2)(iii)(B)] because those requirements only reference issuers." See Exchange Act Release No. 34-70073 at II.E.

ORDER

10. The Firm prepared the Broker-Dealer's annual depreciation expense journal entry for the year ended December 31, 2013, using the fixed asset subledger that the Firm maintained for the Broker-Dealer.

11. The Firm also prepared the Broker-Dealer's December 31, 2013 financial statements. In a work paper titled "Evaluating and Communicating Internal Control Deficiencies," the Firm noted that the Broker-Dealer "lacks the ability to prepare GAAP basis financial statements and footnotes," and further noted that although Holt & Patterson had "previously communicated [this] deficiency" to the Broker-Dealer, the issue "ha[d] not yet been remediated."

12. In a work paper titled "Summary of Risk Assessment," the Firm identified as a risk the Broker-Dealer's "[i]nability to generate financial statements and footnote disclosures in accordance with GAAP." The Firm also noted that as part of its "[a]udit approach" to this risk, the Firm would "prepare the footnote disclosures and give [them] to [the Broker-Dealer's president] for review."

13. The Firm obtained from the Broker-Dealer various documents including a balance sheet and trial balance as of December 31, 2013 and an income statement for the year ended December 31, 2013.

14. The Firm used the above documents obtained from the Broker-Dealer to prepare the Statement of Financial Condition as of December 31, 2013, as well as the Statement of Income and Statement of Changes in Stockholders' Equity for the year ended December 31, 2013, filed by the Broker-Dealer with the Commission in March 2014.

15. In preparing those financial statements, the Firm added and aggregated line items, deleted a line item, changed line item descriptions and amounts, and added, deleted, and changed captions as compared to corresponding information in the documents obtained from the Broker-Dealer.

16. The Firm also prepared the Statement of Cash Flows for the year ended December 31, 2013, as well as drafted the notes to the Broker-Dealer's financial statements, all of which were filed by the Broker-Dealer with the Commission in March 2014.

17. Included in the Form X-17A-5 Part III filed with the Commission in March 2014 was an Auditors' Report on Internal Control in which the Firm noted that the Broker-Dealer "does not have in place controls that would assure the preparation of internal financial statements and related note disclosures in accordance with generally

ORDER

accepted accounting principles." The Firm also noted that the Broker-Dealer engaged the Firm "to draft the audited financial statements."

18. As a result of the Firm's conduct in maintaining and preparing accounting records and in preparing the financial statements, the Firm was not independent of the Broker-Dealer under the independence criteria established by the Commission in Rule 2-01(c)(4) of Regulation S-X, which Rule 17a-5 made applicable to the Audit. As the Commission explained in adopting Rule 2-01(c)(4), providing such services for an audit client "impairs the auditor's independence because the auditor will be placed in the position of auditing the firm's work when auditing the client's financial statements. . . . In addition, keeping the books is a management function, the performance of which leads to an inappropriate mutuality of interests between the auditor and the audit client."⁷

19. The Firm violated Rule 17a-5(i) by representing in its audit report that it had performed the Audit in accordance with GAAS when in fact, because of the independence impairment described above, the Audit had not been performed in accordance with GAAS. That violation constituted a violation of the provisions of the securities laws relating to the preparation and issuance of audit reports and the obligations and liabilities of accountants with respect thereto.

IV.

In view of the foregoing, and to protect the interests of investors and further the public interest in the preparation of informative, accurate, and independent audit reports, the Board determines it appropriate to impose the sanctions agreed to in Respondent's Offer.

Accordingly, it is hereby ORDERED that:

- A. Pursuant to Section 105(c)(4)(E) of the Act and PCAOB Rule 5300(a)(5), the Firm is censured.
- B. Pursuant to Section 105(c)(4)(D) of the Act and PCAOB Rule 5300(a)(4), a civil money penalty in the amount of \$2,500 is imposed upon the Firm. All funds collected by the Board as a result of the assessment of this civil money penalty will be used in accordance with Section 109(c)(2) of the Act. The Firm shall pay this civil money penalty within ten (10) days of the issuance of this Order by (1) wire transfer pursuant to instructions
