determined to accept. Solely for purposes of these proceedings and any other proceedings brought by or on behalf of the Board, or to which the Board is a party, and without admitting or denying the findings herein, except as to the Board's jurisdiction over Respondent and the subject matter of these proceedings, which is admitted, Respondent consents to the entry of this Order Instituting Disciplinary Proceedings, Making Findings, and Imposing Sanctions ("Order") as set forth below.<sup>2</sup>

**III.**

On the basis of Respondent's Offer, the Board finds that:

**A. Respondent**

1. WJB is a registered public accounting firm located in Athens, Georgia. At all relevant times, the Firm was licensed by the Colorado State Board of Accountancy (license no. FRM-5000032). The Firm, formed in 2012, is registered with the Board pursuant to Section 102 of the Act and Board rules.

**B. Summary**

2. The Firm prepared the financial statements for a broker-dealer audit client ("Broker-Dealer") for the year ended December 31, 2013. As a result, the Firm was not independent of the Broker-Dealer under auditor independence criteria established by the Commission and made applicable by Exchange Act Rule 17a-5(f)(3) to audits of brokers and dealers.<sup>3</sup> The Firm nevertheless audited the financial statements and issued an audit report that the Broker-Dealer included with the financial statements it

<sup>2</sup> The findings herein are made pursuant to Respondent's Offer and are not binding on any other person or entity in this or any other proceeding.

<sup>3</sup> Exchange Act Rule 17a-5, referenced throughout this Order as "Rule 17a-5," is found at 17 C.F.R. § 240.17a-5. The rule provisions set out herein are those in effect during, and applicable to, the relevant conduct. On July 30, 2013, the Commission adopted certain amendments to Rule 17a-5. See Broker-Dealer Reports, SEC Exchange Act Release No. 34-70073 (July 30, 2013), 78 Fed. Reg. 51910 (Aug. 21, 2013). Among other things, the amendments to Rule 17a-5 require that audits of brokers and dealers be performed in accordance with PCAOB standards, effective for audits of fiscal years ending on or after June 1, 2014. In addition, Rule 17a-5 provides that the auditor must be independent in accordance with Rule 2-01 of Commission Regulation S-X. At the time of the relevant conduct, that requirement was set out in Rule 17a-5(f)(3). It is now set out in Rule 17a-5(f)(1).

filed with the Commission. In the audit report, the Firm represented that the audit had been performed in accordance with Generally Accepted Auditing Standards ("GAAS"). Because GAAS requires independence, however, that representation violated Rule 17a-5(i), which required the audit report to state whether the audit was made in accordance with GAAS.

### C. Respondent Violated a Commission Rule

3. Rule 17a-5(d)(1) requires, among other things, that "[e]very broker or dealer registered pursuant to section 15 of the [Securities Exchange] Act [of 1934] shall file annually, on a calendar or fiscal year basis, a report which shall be audited by an independent public accountant." Rule 17a-5(d)(2) states that "[t]he annual audited report" filed by a registered broker or dealer, among other things, "shall contain a Statement of Financial Condition . . . , a Statement of Income, a Statement of Cash Flows, a Statement of Changes in Stockholders' or Partners' or Sole Proprietor's Equity, and [a] Statement of Changes in Liabilities Subordinated to Claims of General Creditors."

4. Rule 17a-5(e)(1)(i) states: "An audit shall be conducted by a public accountant who shall be in fact independent as defined in paragraph (f)(3) of this section herein, and he shall give an opinion covering the statements filed pursuant to paragraph (d) . . . ." Rule 17a-5(f)(3) states: "An accountant shall be independent in accordance with the provisions of § 210.2-01(b) and (c) of this chapter."

5. Rule 17a-5(g) requires that "[t]he audit shall be made in accordance with generally accepted auditing standards." Rule 17a-5(i) requires that "[t]he accountant's report shall . . . [s]tate whether the audit was made in accordance with generally accepted auditing standards."

6. GAAS requires auditors to maintain strict independence from their audit clients.<sup>4</sup> "[I]f an auditor's report states that its audit was in accordance with GAAS when the auditor was not independent, then it has violated Rule 17a-5(i)."<sup>5</sup>

## ORDER

7. Pursuant to Rule 17a-5(f)(3), certain of the Commission's auditor independence criteria described in Rules 2-01(b) and (c) of Regulation S-X<sup>6</sup> apply to audits of brokers and dealers.<sup>7</sup> The applicable provisions include Rule 2-01(c)(4), which states in part:

An accountant is not independent if, at any point during the audit and professional engagement period, the accountant provides the following non-audit services to an audit client:

(i) *Bookkeeping or other services related to the accounting records or financial statements of the audit client.* Any service, unless it is reasonable to conclude that the results of these services will not be subject to audit procedures during an audit of the audit client's financial statements, including:

...

(B) Preparing the audit client's financial statements that are filed with the Commission or that form the basis of financial statements filed with the Commission . . . .

8. The Firm served as the auditor of the Broker-Dealer's December 31, 2013 financial statements ("Audit"). At all relevant times, the Broker-Dealer was a "broker" and "dealer," as defined in Section 110 of the Act and PCAOB Rules 1001(b)(iii) and 1001(d)(iii), and was not an "issuer," as defined in Section 2(a)(7) of the Act and PCAOB Rule 1001(i)(iii).

---

<sup>6</sup> 17 C.F.R. Part 210.

<sup>7</sup> Not all independence criteria described in Rule 2-01(c) apply to audits of brokers and dealers. As the Commission has explained, those audits "are not subject to the partner rotation requirements or the compensation requirements of the Commission's independence rules [Rules 2-01(c)(6) and (c)(8)] because the statute mandating those requirements is limited to issuers," and they "are not subject to the audit committee pre-approval requirements or the cooling-off period requirements for employment [Rules 2-01(c)(7) and (c)(2)(iii)(B)] because those requirements only reference issuers." See Exchange Act Release No. 34-70073 at II.E.

## ORDER

9. In March 2014, the Broker-Dealer filed with the Commission a Form X-17A-5 Part III for the year ended December 31, 2013. Included in that filing was an audit report signed by the Firm dated February 22, 2014. That report stated, among other things, that the Firm audited the Broker-Dealer's financial statements "in accordance with auditing standards generally accepted in the United States of America."

10. On February 4, 2014, Firm staff emailed the Broker-Dealer's president a draft set of financial statements, including notes, for the year ended December 31, 2013. The Firm prepared these draft financial statements based on the content and presentation of the previous year's financial statements filed by the Broker-Dealer with the Commission. The draft financial statements were facially complete except they did not include dollar amounts. In addition, certain of the financial statement notes contained outdated amounts and percentages that had not been modified to reflect information applicable to the reporting period and, in some instances, blank spaces in place of such amounts.

11. Later in February 2014, the Broker-Dealer emailed to Firm staff a revised version of the draft financial statements. In the revised financial statements, the Broker-Dealer had inserted dollar amounts into line items contained in the Statements of Financial Condition, Income, and Changes in Stockholders' Equity. The Broker-Dealer also had modified the financial statement notes with updated amounts and percentages reflecting current reporting period information. The Broker-Dealer had failed, however, to populate most of the line items in the Statement of Cash Flows with dollar amounts.

12. Also in February 2014, Firm staff obtained from the Broker-Dealer various documents including a trial balance and balance sheet as of December 31, 2013; an income statement for the month ending December 31, 2013; and four Forms X-17A-5 Part IIA—one for each of the four quarters of 2013—that Firm staff understood had been filed by the Broker-Dealer with the Financial Industry Regulatory Authority ("FINRA"), that bore the header "FOCUS Report (Financial and Operational Combined Uniform Single Report)," and that contained quarterly financial statements.

13. Firm staff used the above documents to complete its preparation of the Statement of Financial Condition as of December 31, 2013, the Statements of Income, Cash Flows, and Changes in Stockholders' Equity for the year ended December 31, 2013, and the notes to the financial statements, all of which were filed by the Broker-Dealer with the Commission in March 2014.

14. In completing its preparation of these financial statements, Firm staff aggregated and disaggregated line items, added and deleted line items, added line item amounts, and changed line item descriptions and amounts as compared to the revised financial statements received in February 2014 from the Broker-Dealer.

**ORDER**

15. As a result of the Firm's conduct in preparing the financial statements, the Firm was not independent of the Broker-Dealer under the independence criteria established by the Commission in Rule 2-01(c)(4) of Regulation S-X, which Rule 17a-5 made applicable to the Audit. As the Commission explained in adopting Rule 2-01(c)(4), providing such services for an audit client "impairs the auditor's independence because the auditor will be placed in the position of auditing the firm's work when auditing the client's financial statements. . . . In addition, keeping the books is a management function, the performance of which leads to an inappropriate mutuality of interests between the auditor and the audit client."<sup>8</sup>

16. The Firm violated Rule 17a-5(i) by representing in its audit report that it had performed the Audit in accordance with GAAS when in fact, because of the independence impairment described above, the Audit had not been performed in accordance with GAAS. That violation constituted a violation of the provisions of the securities laws relating to the preparation and issuance of audit reports and the obligations and liabilities of accountants with respect thereto.

**IV.**

In view of the foregoing, and to protect the interests of investors and further the public interest in the preparation of informative, accurate, and independent audit reports, the Board determines it appropriate to impose the sanctions agreed to in Respondent's Offer.

Accordingly, it is hereby ORDERED that:

- A. Pursuant to Section 105(c)(4)(E) of the Act and PCAOB Rule 5300(a)(5), the Firm is censured.
- B. Pursuant to Section 105(c)(4)(D) of the Act and PCAOB Rule 5300(a)(4), a civil money penalty in the amount of \$2,500 is imposed upon the Firm. All funds collected by the Board as a result of the assessment of this civil money penalty will be used in accordance with Section 109(c)(2) of the Act. The Firm shall pay this civil money penalty within ten (10) days of the issuance of this Order by (1) wire transfer pursuant to instructions provided by Board staff; or (2) United States Postal Service money order, bank money order, certified check, or bank cashier's check (a) made payable to the Public Company Accounting Oversight Board, (b) delivered

b. within thirty (30) days from the Future Registration Date, to any client of the Firm as of the Future Registration Date for which the Firm has performed or has been engaged to perform an SEC Registered Broker-Dealer Engagement,

5. to certify in writing to the Director of the Division of Enforcement and Investigations, Public Company Accounting Oversight Board, 1666 K Street, N.W., Washington D.C. 20006, the Firm's compliance with paragraphs C(1) through C(4)(b) above. The certification shall identify the undertakings, provide written evidence of compliance in the form of a narrative, and be supported by exhibits sufficient to demonstrate compliance. The Firm shall submit such certification within one hundred twenty (120) days from the Future Registration Date. The Firm shall also submit such additional evidence of and information concerning compliance as the staff of the Division of Enforcement and Investigations may reasonably request.

ISSUED BY THE BOARD.
