

Dennis A. Johnson, CFA
Senior Portfolio Manager
California Public Employees' Retirement System (CalPERS)

Dennis is currently a Senior Portfolio Manger in the Corporate Governance office of the California Public Employees' Retirement System (CalPERS). He is responsible for the day-to-day management of all corporate governance activities within CalPERS. Dennis is responsible for the management of four core programs which are CalPERS' Focus List Program, proxy voting, policy and active investment strategies. Within CalPERS' actively managed corporate governance strategy, Dennis manages a combination of external investment managers and internal management with a total market value of approximately \$4 billion.

Dennis has twenty five years of experience in the investment management industry. Prior to joining CalPERS, he served as a Managing Director for Citigroup Global Markets, Inc. Responsibilities throughout his career include, the development and management of proxy voting policies and guidelines, advising and counseling clients on corporate governance and proxy voting policy, and voting proxies. In addition, Dennis has extensive direct experience managing equity and fixed income portfolios, conducting quantitative, fundamental equity and credit research as well as equity and fixed income trading. Dennis has a B.A. in Economics from the Virginia Military Institute, and M.S. in Finance from Virginia Commonwealth University and is a Chartered Financial Analyst (CFA). He is a member of the CFA institute and previously served on the Virginia Military Institute Board of Visitors.
