FORM AP
AUDITOR REPORTING OF CERTAIN AUDIT PARTICIPANTS

Registered public accounting firms must report information about certain participants in the audit and any amendments thereto to the PCAOB by completing and submitting this Form according to the instructions to Form AP.

It is important to refer to the instructions when completing each item of the Form. The Firm is responsible for completing each item according to the instructions, and should not merely rely on the Firm’s own interpretation of the item descriptions appearing in this Form.

Italicized terms are defined in PCAOB Rule 1001, except for the definition of “other accounting firm” which appears in the general instructions to Form AP. The Firm must apply those definitions in completing the Form.

By checking this box, the Firm is stating that it is responsible for the audits or audit procedures performed by the other accounting firm(s) identified in Part IV and has supervised or performed procedures to assume responsibility for their work in accordance with PCAOB standards.

Note: For purposes of Item 3.2, an other accounting firm participated in the Firm's audit if (1) the Firm assumes responsibility for the work and report of the other accounting firm as described in paragraphs .03-.05 of AS 1205, Part of the Audit Performed by Other Independent Auditors, or (2) the other accounting firm or any of its principals or professional employees was subject to supervision under AS 1201, Supervision of the Audit Engagement.

In responding to Part IV, total audit hours in the most recent period's audit should be comprised of hours attributable to: (1) the financial statement audit; (2) reviews pursuant to AS 4105, Reviews of Interim Financial Information; and (3) the audit of internal control over financial reporting pursuant to AS 2201, An Audit of Internal Control Over Financial Reporting That Is Integrated with An Audit of Financial Statements. Excluded from disclosure and from total audit hours in the most recent period's audit are, respectively, the identity and hours incurred by: (1) the engagement quality reviewer; (2) the person who performed the review pursuant to SEC Practice Section 1000.45 Appendix K; (3) specialists engaged, not employed, by the Firm; (4) an accounting firm performing the audit of the entities in which the issuer has an investment that is accounted for using the equity method; (5) internal auditors, other company personnel, or third parties working under the direction of management or the audit committee who provided direct assistance in the audit of internal control over financial reporting; and (6) internal auditors who provided direct assistance in the audit of the financial statements. Hours incurred in the audit by entities other than other accounting firms are included in the calculation of total audit hours and should be allocated among the Firm and the other accounting firms participating in the audit on the basis of which accounting firm commissioned and directed the applicable work.

In responding to Part IV, if the financial statements for the most recent period and one or more other periods covered by the audit report identified in Item 3.1.a.4 were audited during a single audit engagement (for example, in a reaudit of a prior period(s)), the calculation should be based on the percentage of audit hours attributed to such firms in relation to the total audit hours for the periods identified in Item 3.1.c.

Actual audit hours should be used if available. If actual audit hours are unavailable, the Firm may use a reasonable method to estimate the components of this calculation. The Firm should document in its files the method used to estimate hours when actual audit hours are unavailable and the computation of total audit hours on a basis consistent with AS 1215, Audit Documentation. Under AS 1215, the documentation should be in sufficient detail to enable an experienced auditor, having no previous connection with the engagement, to understand the computation of total audit hours and the method used to estimate hours when actual hours were unavailable.

Indicate, by checking the box, if the percentage of total audit hours will be presented within ranges in Part IV.
